ETC MH 40 IH

ARTICULATED / TELESCOPIC INSULATED MATERIAL HANDLING

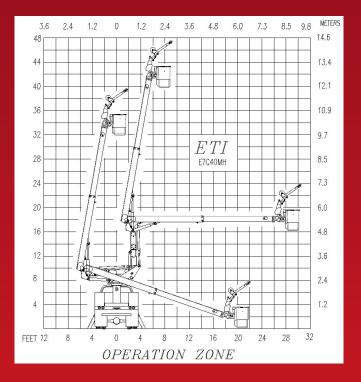

INSULATED VERSATILITY

The ETC MH 40 IH is a versatile insulated unit that is well suited to those customers in need of an aerial unit that can offer powerful capabilities. With an articulating and telescoping aerial lift that reaches a height of 40' to the bottom of the bucket, this unit has a standard option continuous rotation allowing for unrestricted rotation. This model also offers material handling capabilities with a hydraulic winch and a 3' jib that can lift up to 1,000 lbs.
